

Office Memorandum • UNITED STATES GOVERNMENT

TO : Personnel Office
Attn : Wage and Classification Division
FROM : Chief, Organization & Methods Service
SUBJECT: T/O for Inspection and Security Office
Ref : Memorandum of ADD/A (I&S) to DD/A

DATE:

1. A study of the above memorandum indicates that there is no change in organization functions other than the merger of the CI Staff and Technical Research Staff under the heading of Security Research Staff, with which merger I agree.

2. The detailed reasons for the increase in the T/O as set forth in the above mentioned memorandum are sound and my own observations confirm the increases asked for.

3. I therefore concur, with the understanding that any increases in the above mentioned T/O are subject to ceilings which now exist or may hereafter be imposed. /
